

2020-2021 Program Grant Application

Materials due April 15, 2021

The Polar Bear Foundation is dedicated to building a stronger Northern community by encouraging a broad-based support for the investment in creative, innovative and exceptional opportunities for the Northern York County School District.

To accomplish this mission, the PBF awards grants each year to teachers and groups to encourage creative classroom projects and support programs that otherwise would not be funded by the District's operations.

To be considered for a grant, applicants should complete the attached application form and submit it along with the other re-requested documentation to the Polar Bear Foundation office by April 15, 2021.

Program Grant Definition

These grants fund programs that are generally beyond the scope of the District's operating budget. Existing programs seeking renewed funding must include a description and summary of the previous year's program. New applicants are asked to include a description of how the program will be evaluated for its impact and effectiveness.

Review and Selection Process Materials due by April 15, 2021.

Applicants should submit the application with a thorough description of the proposed program, a description of the program's goals for students, and a clear and concise measure to evaluate the program's overall impact and effectiveness.

Grants are initially reviewed by the Superintendent and/or his designee(s) to determine how the project or idea fits into the district curriculum and if it falls outside of the district's financial capacity.

Grants are then considered by the Grant Committee of the Polar Bear Foundation and recommendations on whether to provide funding are submitted to the full PBF Board of Directors.

Final approval will come from the PBF's Board of Directors. Successful applicants will be required to provide a progress report, images of their grant being put to use, and any other information requested by the Foundation for publication in newsletters, local news media and/or the Foundation's website.

Program Grant Application

Application Deadline April 15, 2021

Name of faculty member or organization			
If an organization, name of contact person			
Address (city, state, zip)			
<i>Email</i>			Phone
